Members for PDO Board

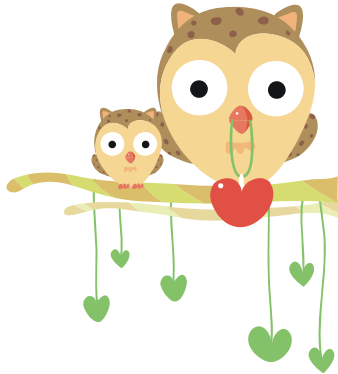

In order to retain our status as a Parochial preschool, we need to have a Board that meets on a regular basis. This Board is made up of members of Christ United Methodist Church, church staff members, parents, and teachers. If you are interested in being on the PDO Board, please join us for a meeting on Thursday, February 9 at 4:00 PM. We will have child care for those who need it. The Board meets only a few times a year and covers items such as teacher and director salaries, fundraisers, and other policies for the preschool as well as providing a liaison between the church and the preschool. Thank you for your interest and support!

ICE AND SNOW

Just a reminder to be very careful in the parking lot when there is ice and snow! The parking lot on the north side of the church can be very treacherous because there is no sunlight to help melt the ice in the winter. Please be extra cautious when picking up your children and use the east or west parking lots if there has been a recent snowfall. Our building maintenance man will be working hard to keep the ice cleared, but we do not want any accidents.

Valentine Parties

Our official Valentine Party will be held this year on **Wednesday, February 15**. Each class will send home a list of the children who attend this class and you will need to send a Valentine for each child who attends on this day. Make sure if you are sending treats to be aware of nut allergies. We will also be having a **Book Exchange on Tuesday, February 14**. If your child attends on this day, please send a book that they can exchange with another child in their class. We look forward to having some sweet Valentine's Day fun!

Documents Online

We now have some of our documents online! You can access PDO newsletters and tuition schedules online by accessing the church website: www.christumcutah.net The PDO page is found under the ministries tab.

Book Orders

The new book orders are going out with this newsletter and will be due on **Monday, February 6**. The paper order forms you receive are just a sample of the items you can order; once you go online you can view all the flyers for different age groups to order many other items. If you are looking for a specific book, oftentimes you can order it through Scholastic by searching their website as well. Each order placed through PDO gives us points to order books and classroom products for your child's classroom. Thanks for your support!
